

# LET'S CODE HOLIDAY CLUB 2018

**CODING IS THE NEW COOL! HIGHLY CREATIVE, COLLABORATIVE AND GOOD FUN.**

Has your child ever had an awesome idea for a video game but didn't know how to bring it to life? Join the CTSC's Let's Code Holiday Club – we will use object orientate programme software, Small Basic, and nurture their 21st Century skills as they go about producing their game - Imagine, Explore, Create! This is an excellent opportunity to acquire basic coding skills in a relaxed and creative environment – 12 hours of coding fun over a 4 day period and the opportunity to explore the rest of the CTSC's offerings.

**Space is limited to 20 children per club and spaces will be allocated on a first-come-first-served basis. Please note we require a minimum of 10 children to run the Camp.**

**A BIT ABOUT SMALL BASIC:** Small Basic combines a friendly environment with a very simple language and a rich and engaging set of libraries to make your programs and games pop. In a matter of few lines of code, you will be well on your way to creating your very own game! With a new and revolutionary IntelliSense®, Small Basic makes writing code a breeze. Learn the programming concepts starting with the fundamentals and move your way up. Small Basic is based on .NET and what you learn here could be easily applied to other .NET programming languages like Visual Basic. And when you do graduate to Visual Basic, you can bring your existing programs with you using a built-in conversion utility.

## PLEASE NOTE THE FOLLOWING:

The Let's Code Holiday Club is a fun event, which should be a lasting memory for your child. To ensure that it is a success in every sense of the word, the safety of your child is of primary concern. If your child, in anyway, knowingly compromises the safety of any of the other participants, under the discretion of the staff, your child will be expelled from the Let's Code Holiday Club and you will be required to fetch him/ her. No child will be permitted to bring harmful weapons (pocket knives included), cigarettes, alcohol or drugs. Any child caught with these will be expelled from the Let's Code Holiday Club – with no further discussions.

### CANCELLATION AND REFUND POLICIES

Should you wish to cancel the space you reserved for your child, a full refund of the club fee will be done if cancellation is done within 14 days prior the start of the club. After which only 25% of the fee will be reimbursed if cancellation is within and up to 5 days prior to the start of the club. Should you cancel within less than 5 days prior to the start of the club please note that there will be no reimbursement.

Finally, every child is required to behave appropriately and any destruction of property, invasion of peoples' privacy, intimidation or violence, etc. is not permitted. Children are under no circumstances allowed to leave the Cape Town Science Centre without being accompanied by a Cape Town Science Centre member of staff or their parent/guardian.

All facilities within the Cape Town Science Centre are used at own risk and subject to the rules of management and the organisers of the Let's Code Holiday Club. Under no circumstances will management accept liability for injury, death, loss or damage sustained for any reason, howsoever caused.

**PLEASE EXPLAIN THE ABOVE TO YOUR CHILD/ CHILDREN BEFORE THEY ARRIVE AT THE LET'S CODE HOLIDAY CLUB.**

We thank you for your understanding.
