- The drop-off and pick-up times are set times.

WHY CODING?

Coding is a basic literacy in the digital age. It is important for kids to not only be users of technology but also creators of it. Having children learn coding at a young age prepares them for the future. Coding helps children with communication, creativity, math, writing and confidence. While some schools do offer coding, it is not officially included in the curriculum in Primary School level at this stage.

IT IS TIME!

The Cape Town Science Centre has been the Global Coordinator of Africa Code Week from 2016 to 2018 and implemented many coding workshops during the school holidays. Based on the demand for these workshops and the feedback received, it is clear **IT IS TIME** to offer this highly relevant, engaging and fun activity as an after-school programme at our centre!

Building on our experience, we offer interaction with a selection of coding platforms - a candy shop full of exciting programmes to explore - think Scratch, Python, Small Basics, Stencyl, App Development and unplugged workshops.

Our programme has been evaluated by a leading educational specialist and builds a solid coding foundation promoting a deeper understanding of technology to catapult your child on an exciting coding learning journey!

Importantly, we invite your child to meet their tribe at the Cape Town Science Centre and be part of a community of kids who come together and play to learn.

CODING IS A NEW LANGUAGE. EVERY CHILD DESERVES TO BE FLUENT.

BOOKING FORM - AFTER SCHOOL CODING CLUB - TERM 3

PLEASE NOTE THE FOLLOWING:

The After School Coding Club is a fun event, which should be a lasting memory for your child. To ensure that it is a success in every sense of the word, the safety of your child is of primary concern. If your child, in anyway, knowingly compromises the safety of any of the other participants, under the discretion of the staff, your child will be expelled from the After School Coding Club and you will be required to fetch him/ her. No child will be permitted to bring harmful weapons (pocket knives included), cigarettes, alcohol or drugs. Any child caught with these will be expelled from the After School Coding Club – with no further discussions.

CANCELLATION AND REFUND POLICIES

Should you wish to cancel the space you reserved for your child, a full refund of the club fee will be done if cancellation is done within 14 days prior to the start of the club. After which only 25% of the fee will be reimbursed if cancellation is within and up to 5 days prior to the start of the club. Should you cancel within less than 5 days prior to the start of the club please note that there will be no reimbursement.

Finally, every child is required to behave appropriately and any destruction of property, invasion of peoples' privacy, intimidation or violence, etc. is not permitted. Children are under no circumstances allowed to leave the Cape Town Science Centre without being accompanied by a Cape Town Science Centre member of staff or their parent/guardian.

All facilities within the Cape Town Science Centre are used at own risk and subject to the rules of management and the organisers of the After School Coding Club. Under no circumstances will management accept liability for injury, death, loss or damage sustained for any reason, howsoever caused.

PLEASE EXPLAIN THE ABOVE TO YOUR CHILD/ CHILDREN BEFORE THEY ARRIVE AT THE AFTER SCHOOL CODING CLUB.

We thank you for your understanding.
