

MEMORANDUM

TO: GET and FET Coordinators

CC: District Management

From: DIRECTOR: CURRICULUM GENERAL EDUCATION AND TRAINING

Subject: Acknowledgement of the Cape Town Science Centre (CTSC) as an educational support centre

The Interactive Science Foundation, trading as the Cape Town Science Centre, located at 370B Main Road, Observatory (Cape Town), is a registered NPO (NPO: 031-701-NPO) and PBO (PBO: 18/11/13/2663)).

The Cape Town Science Centre specialises in STEM-related educational programmes, functioning as an educational support centre. These programmes include educational visits to the centre by schools, which support learning through:

- curriculum-aligned workshops,
- science shows, and
- interactive exhibitions.

These stimulating activities requires learners to demonstrate critical thinking, problem-solving abilities, innovation and creativity. They support the Western Cape Education Department's (WCED) strategy for Mathematics and Physical Science.

The CTSC always adheres to health protocols and including strict precautionary measures related to COVID.

The WCED invites all schools to participate in the CTSC activities. Principals are requested to bring this Memorandum to the attention of all the teachers, learners, parents and the community.

Thank you,

K. DUDLEY

DIRECTOR: CURRICULUM GENERAL EDUCATION AND TRAINING
