

MONTHLY CHALLENGE

PRIMARY SCHOOL - BIOLOGY

HOT VS COLD PAIN

It's early in the morning in winter and you hit your hand on a hockey stick or on the soccer goal post and the pain feels awful.

When you get hurt, why does it hurt more when it's cold outside than when it is warm outside?

Please type this link into your Google search bar to answer

<https://forms.gle/GuVozHxVyMCf5PeD9>

(You will be asked for your name and surname, your grade and your school name.)

INSTRUCTIONS:

- We suggest you write out your answer in your own words and in English and then type it on this Google form.
- Your answer should be at least 2 sentences long
- Due date for you to submit your answer on the Google form is 27 May 2022.
- We will announce the Provincial winner for each challenge later in June.
- Solutions will be published on the website at this link - www.ctsc.org.za/stem-clubs/
